TERRYVILLE PUBLIC LIBRARY

Hey Business Owners!

INTERESTED IN PARTICIPATING?

Our **Discover. Imagine. Connect.** Library Card Campaign will be held between February 1 through July 31, 2019. During this campaign, we want to emphasize how the library supports personal and community connections by working with local businesses to reward library cardholders in a new way.

Businesses can participate in a number of ways: (1) by donating a product or service to a monthly raffle open to all new and existing library cardholders, (2) by creating a discount for products/services when a library cardholders presents their valid Terryville Public Library card at their business, or (3) by doing both. Not only does this incentivize residents to get a library card, but also to visit local businesses that they may not have patronized before.

Business partners will be recognized on our website (700+ hits/month), in our newsletter, on Facebook (830+ Friends), and in the Library.

For more information, call the Library Director at 860-582-3121.

Unlock the power of your Terryville Public Library card and connect to great local Businesses with these special rewards just for cardholders!
