

2022 Summer Reading Program Calendar of Events (Adult)

<p style="text-align: center;">June 23, 2022 6:00pm</p>	<p>Faux Sea Glass Art - Sea glass is the beautiful result of broken glass being naturally polished and smoothed by the ocean's currents for extended periods of time. Sea glass has been used for various different types of art/craft projects, including jewelry. Join us to create your own sea glass ocean wave art using canvas, some glue, and of course - sea glass! (For this project, you will be using faux sea glass, crushed.) Even though the project/template will be the same, each piece will be unique, so everyone will go home with a one-of-a-kind masterpiece. Registration Required.</p>
<p style="text-align: center;">June 28, 2022 2:30pm and 6:30pm</p>	<p>Tin Can Lantern - Recycle your tin cans and decorate them to be used as outdoor lanterns. They are easy to make and you will love how fun they look when the candles are burning on a nice summer night. Cans will be provided, but feel free to bring your own if you want a specific size. Registration required.</p>
<p style="text-align: center;">July 12, 2022 6:30pm</p>	<p>Bald Eagle Presentation - It's a Bird, It's a Plane—no, it's an eagle!! Bald eagles were once so endangered that many considered whether to replace them as America's national symbol. The ongoing story of their recovery as a species and CT's healthy eagle population is a comeback story worth hearing. Join Ginny Apple, a Master Wildlife Conservationist with the State Department of Energy and Environmental Protection, for a talk about these magnificent birds of prey that so fascinate onlookers and their valuable contributions to our ecosystem. Ginny Apple will discuss and give a slide show presentation on the bald eagle and its resurging population in Connecticut.</p>
<p style="text-align: center;">July 21, 2022 2:30pm and 6:30pm</p>	<p>Pressed Flower Bookmark - These pressed flower bookmarks are a simple nature craft to make, and they are absolutely lovely! These bookmarks are finished with Mod Podge, and the Mod Podge preserves the flowers while bringing out their vibrant colors! All materials provided! Registration required.</p>
